COULD GOD BE SENDING AMERICA A PROPHETIC MESSAGE?
Go Deeper into the Meaning and Messages!

“NYT fiction bestseller, The Harbinger is taking the nation by storm with prophecies and signs from 9/11 and beyond, that parallel Isaiah 9. Omens from Isaiah 9 show God's anger with the people of Israel; and now, we as a nation, defy God again. How does this correlate with our future? Don't miss this extraordinary book!”

The key Bible quotes in this book come from:

Isaiah 9:8-11 King James Version (KJV) [2]

8 The Lord sent a word into Jacob, and it hath lighted upon Israel.

9 And all the people shall know, even Ephraim and the inhabitant of Samaria, that say in the pride and stoutness of heart,

10 The bricks are fallen down, but we will build with hewn stones: the sycamores are cut down, but we will change them into cedars.

11 Therefore the Lord shall set up the adversaries of Rezin against him, and join his enemies together;

In fact, the key focus of this book is in Isaiah 10 [BUT do note the verse at 9-11!]:

10 The bricks are fallen down,
but we will build with hewn stones:
the sycamores are cut down,
but we will change them into cedars.

These are all made in the Bible with direct and factual reference to the fall of the nation of Israel (actually the Tribes of Judah and Benjamin), the evil of its people at that time, and the arrogance of the attempts by

those, then for the first time created as “Jews”, to rebuild a new nation with the founding of the Second Temple.

However, in the Present Day, EACH and ALL of these descriptions have been identified to occur again during and after the terrorist attacks on September 11, 2001!

This book describes each item. The occurrence of each is very profound and is far from being any coincidence or planned by human intervention. It Truly appears to be Acts of God!

In the book, each item that occurs is identified as a prophecy that is fulfilled! Each is covered in its own chapter, labeled as a 1st Harbinger, 2nd Harbinger, etc., up to the 9th Harbinger. The book contains 22 chapters to explain these prophecies and their fulfillment during and after the events on 9-11!

Here are the numbered Harbinger chapters and a summary of each:

1. The Breach

“9-11 was the wake-up call to America to return to its True Religious values. It was ignored, just as it was in ancient Israel. America had turned away from God, and its security was breached.”

2. The Terrorist

“The language, words, and plans used by the 9-11 terrorists were children of the Middle East, like the Assyrians, a Semitic people. These mirrored the mirrored those by the Assyrian leaders as they planned and executed their attack on Israel two and half thousand years earlier in 732 B.C.”

3. The Fallen Bricks

The bricks are fallen down – The fall of the Twin Towers – “Evil men were behind it. As the fallen bricks of ancient Israel comprised a warning concerning the nation’s future – so too the fallen bricks of Ground Zero. People still are following ‘the commentary on the Word of God’. Not ‘The Word of God’.”

4. The Tower

But we will build with hewn stones – “So instead of bowing their heads before heaven, they raise their fists against it – in defiance of God’s call! And build the Freedom Tower! But we will rebuild’ was stated publicly by the Mayor of NYC, the Governor of NY, the senior Senator of NY, the junior Senator of NY, and the President of the United States. It was eerie. Modern American leaders voicing the same things voiced in ancient Israel, and words that had to do with judgement. It was eerie.”

5. The Gazit Stone

With hewn stones – “The Hebrew behind the word ‘stone’ is ‘gazit’, meaning cut or quarried out of mountain rock. A twenty-ton massive rectangular block of quarried stone was [cut and then later] laid at the Ground Zero site in a public ceremony. The Governor of NY said: Today, we, the heirs of that revolutionary ‘spirit of defiance’, lay this cornerstone... Those exact words.”

6. The Sycamore

The sycamores are cut down – The Hebrew behind the word ‘sycamore’ is ‘shakam’, also known as the ‘fig mulberry tree’. It is native to the Middle East and Africa. The cutting down is a sign of uprooting. An English Sycamore happened to be standing there on the corner of Ground Zero on 9-11. It was labeled ‘The Sycamore of Ground Zero’, that was felled on 9-11. It was taken from the place of its fall and put on public display as a symbol of the calamity. For those that heard it fall, they heard the sound of warning and the call to redemption. For those that don’t: the sound of judgement.”

7. The Erez Tree

But we will change them into cedars – “The cedar was exotic and stronger and more highly valued. The word ‘erez’ in Hebrew is usually translated into cedar, or conifer. The Erez Tree becomes another symbol of the nation and its defiance – a living symbol of their confidence in their national resurgence, their tree of hope. What they saw as a tree of hope was, in reality, a harbinger of judgement. Two years after 9-11, in late November 2013, a local spiritual leader in a public ceremony planted a large pinacea tree (a conifer tree) in exactly the same spot as where the sycamore had been. The sign of a nation’s defiant rejection of God’s call to return.”

8. The Utterance

“The vow itself proclaimed by the nation’s leaders in the capital city – the spirit of defiance given voice, the pronouncement of judgement. They boast of the nation’s resolve and power. Three years after 9-11, on 9/11/2004, the vice-president candidate of the Democratic party spoke before a gathering of a congressional caucus in the nation’s capital, and said:

“Good morning. Today, on this day of remembrance and mourning, we have the Lord’s word to get us through:

The bricks are fallen

But we will build with dressed stones:

The sycamores have been cut down,

But we will put cedars in their place.

The cedars will rise, the stones will up, and this season of hope will endure.”

By John Edwards, US Senator, 2008 Democratic Presidential Candidate, Remarks to the Congressional Black Caucus Prayer Breakfast, September 11, 2004. [3]

It’s too much... But it’s real! The utterance would join the Assyrian invasion (of ancient Israel) to 9/11 and America’s post 9/11 defiance to Israel’s defiance in the face of God’s judgement. And by doing so, the ancient and modern were bound together. - It’s stunning...”

9. The Prophecy

“These are the words proclaimed by the Senate majority leader on Capitol Hill, the morning after 9/11, to present and sum up the nation’s response to the calamity. Listen... [4]

There’s a message from Scripture now given and speaking to America. The message is a prophetic word of warning, sent to a nation that once knew God, and appointed to be given and to speak at this particular time – the time when a nation is standing in danger of judgement:

The bricks are fallen down,

But we will rebuild with dressed stone;
The fig trees have been felled down,
But we will replace them with cedars.
That is what we will do.

Now it was the vowing. The 'we' of ancient Israel had transformed into the 'we' of America. In other words, 'America' will do exactly as ancient Israel had done in its days of judgement."

There Comes A Second

"God's first acts of judgements did not result in the transformation or 'repentance'... of his people Israel. The purpose of God's initial disciplinary punishment was to restore his people, but the people stubbornly refused to turn to him... Since the first act of discipline did not bring about a humble confession of sins, 'a second punishment was necessary.'

Seven Years after 9/11, the American economy collapsed, triggering a global economic implosion. Behind it all, and all that followed, was something much deeper than economics." [On exactly the same day in the Jewish calendar 7 years later!]

And – this is only up to page 136 of this 253-page book...

I recommend that you read it with a very serious attitude of deep study.

There is also the author's DVD that summarizes the book. [5]

I just happen to have a copy here...

Also, if you want find out some of the important True Facts about 9-11, you can watch the very good 43-minute video found by searching for "9-11 solved", and by also watching the really good videos that you will find by searching for "9-11 back to the future". Note that the movie "Back to the Future" was written in 1985, and the author choose to have the future depicted in 2015, 30 years later. In addition, did you note that Isaiah 9-11 causes "join his enemies together" – as in against Iraq and the Arab nations. The author of "Back to the Future" is the same as the movie "The Walk" released 30 years later (same dressed Marty).
