The number 6 million is composed of two parts, and it has quite a history!

The Number 6 - What does the number 6 symbolize? [1]

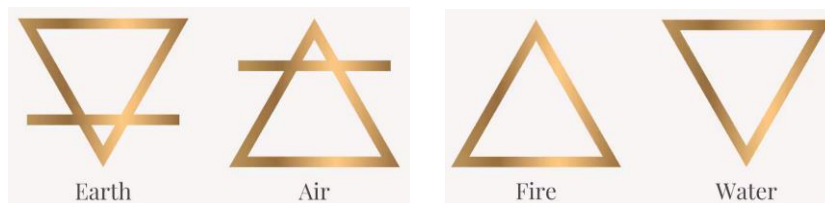

Numerology - In numerology, the number 6 is associated with love, balance, harmony, nurturing, and service to others. People with a life path number 6 are often caring, compassionate, and dedicated to creating harmony in their relationships and surroundings.

Spirituality - In many spiritual traditions, the number 6 is a harmonious number that represents balance, love, and nurturing. Meditating on the number 6 can help deepen your spiritual reflection and connection with its guidance.

Hebrew - In Hebrew, the number 6 is represented by the letter vav, which is a joining letter that symbolizes unity.

Quran - In the Quran, the number 6 refers to six eons of time in the creation of the heavens and the earth.

The Four Elements Represented As Alchemical Symbols

By merging the alchemical symbols of the four elements, we can construct a regular geometrical hexagon, which would contain all of their characteristics:

The Magen David [hexagon] is a generally recognized symbol of Judaism and Jewish identity and is also known colloquially as the Jewish Star or "Star of David." Its usage as a sign of Jewish identity began in the Middle Ages, though its religious usage began earlier, with the current earliest archeological evidence being a stone bearing the shield from the arch of a 3-4th century synagogue in the Galilee. [2]

In simple terms, it can be used to denote the flow of life and intelligence from above to the Earth below, and back again – in a continuous flow – “As Above, So Below”.

The Number 6 Million

Adding a zero after a 6 results in 60, which is our basis for the measurement of time. Also in the ancient past, we know that human beings had 6 fingers and 6 toes, which resulted in the number system based on the powers of 12. That numbering system is still not understood. Today we use the number system based on the powers of 10.

Multiplying 6 by six powers of ten results in the number 6 million or 6,000,000.

The Gematria of 6,000,000 – From [3]

Gematria is a Kabbalistic alphanumeric cipher used to interpret scripture and communicate with signs and symbols. The cryptographic value of the words are taken to be a hidden meaning, where numerology can be used to infer hidden correlations and imbue additional meaning into phrases used in plain sight.

The obsession with six million?

An Edomite prophecy states that for Israel to become whole, six million will have to die in a fiery catastrophe, a burnt offering, a holocaust. So the number must be six million, no more, no less, for Israel to “become whole.”

The Zohar states “You shall return minus six million.” The Zohar is a foundational work of Kabbalistic literature. It is a group of books including commentary on the mystical aspects of the Torah and scriptural interpretations.

How Prophecy Fulfillment Demands 6 Million

The Jewish Torah decrees that “ye shall return every man unto his possession and ye shall return every man unto his family.” These are the exact words that were chosen to be inscribed on the Liberty Bell in Philadelphia, Pennsylvania.

From [4]:

The Two Seminal Events of the Twentieth Century Considered by Jewish Thinkers as Most Significant Since the Destruction of the Temple in 70 C.E.

These are *The Holocaust*, 1939-1945, and *the establishment of the State of Israel in 1948* in the opinion of *The Jewish Primer—Questions and Answers on Jewish Faith and Culture* by Rabbi Shmuel Hlmelestein.¹ Please turn to page 214 which is the last entry in Rabbi Blech’s book *The Secrets of Hebrew Words* in the last, very brief, “Prophecies and Predictions: The Final Redemption”. This page is headed with the Hebrew phrase TaShuVU meaning “you shall return.” In the third paragraph, he says, “The Hebrew word for ‘ye shall return,’ תָּשׁוּבוּ (TaShuVU), seems to be spelled incorrectly.

Grammatically it requires another ך (vav). It ought to read תָּשׁוּבוּךְ (TaShUVU).”

He continues:

Why is it lacking the letter ך (vav), which stands for 6?
תָּשׁוּבוּ (without the ‘vav’) is a prediction to the Jewish people of ultimate return to their homeland. תָּשׁוּבוּךְ in numbers adds up to 708: ך (tav) = 400, שׁ (shin) = 300, ך (vet) = 2, ך (vav) = 6. When we write the year, we ignore the millennia. In 1948 on the secular calendar, we witnessed the miracle of Jewish return to Israel. On the Hebrew calendar it was the year 5708. That was the year predicted by the incomplete word תָּשׁוּבוּ (TaShuVU), you shall return. We did return, lacking 6—an all-important 6 million of our people who perished during the Holocaust.

The Jewish Return To Israel

Many serious researchers believe that the actual number of Jewish people killed during World War II was much less than 6 million.

Regardless, the number 6 million is universally taught today as the number of Jewish people that were killed during World War II. This occurred from September 1, 1939, to September 2, 1945 - just one year before Israel became recognized as an independent political nation or state on May 14, 1948. This the start date for "the return".

Therefore, under present Jewish law, the belief that 6 million Jewish people were killed somewhere prior to May 14, 1948, is a requirement for the belief in the State of Israel.

Historical Publications Using the Number 6 Million

There are many articles that have been published in many newspapers that use the number "6 million" related to Jewish activities during various times.

Ref. [5] lists 10 such articles from major newspapers that were published from 1915 to 1938 (from 31 years before 1948!) . Ref. [5] also includes undeniable proof of and accuracy of these articles by clearly showing a videotape made from each – showing in detail each newspaper's front page, date, location of the article, title of the article, and the start and much of the text. A text summary of these 10 articles is given in Ref. [6].

Ref. [3] also lists 266 references containing "6,000,000 Jews" prior to the Nuremberg Trial announcement compiled by another studious internet archivist. These are dated from 6/11/00 to 11/30/45 in the New York Times and in The Jewish Criterion. (from 45 years prior to 1948!)

Regardless of these past publications, today it is a strict and rigid requirement that Jewish people believe that 6 million of their people died during World War II in order initiate and cause the return to take place. To claim that this is not the exact number that were killed is not allowed to be questioned, discussed, or debated. To do any of that – is called Holocaust Denial. [7]
